Ukulele

If you own a uke, continue to play the “Gentle Twins”:

Also play “Down in the Valley.”

There’s a button on your grade’s website that will take you to the mp3 to play along with.

And here’s the music:

Angels in heaven know I love you;
Know I love you, Dear, know I love you,
Angels in heaven know I love you.

3. If you don't love me, love whom you please,
Throw your arms 'round me, give my heart ease.
Give my heart ease, Dear, give my heart ease,
Throw your arms 'round me, give my heart ease.

More songs to play using these two chords: Jambalaya, Alouette and Buffalo Gals. Can you find others?

Remember, even if you don't have a uke at home, continue to look at these websites to keep the information fresh in your heads!

UKE TUNER

This site will help you keep your ears "in tune"! Just scroll down until you see the uke tuning pegs. Try singing "Goats Can Eat Anything" first, then tap on the tuning pegs to check yourself. Before long, you may find yourself with (acquired) perfect pitch!

Also, the more you hear the uke the better you will play. To that end, here are a few favorites just meant for the uke. Sing along and enjoy!
